They are not definitive and do not apply to all cases where the scenario may at first appear similar. In any given case, regard must be had to all the relevant facts and circumstances.

There is no change to the disclosure requirements for the preliminary results announcement. It is up to issuers to decide how they would like to present the disclosures to meet the Listing Rule requirements in their preliminary results announcements.</p> <p>(Note: to avoid confusion with the term "business review" used under the New Companies Ordinance, the term "a business review" under paragraph 45(3) of Main Board Rules Appendix 16 (GEM Rule 18.50(2)) (annual results announcement) and paragraph 46(3) of Main Board Rules Appendix 16 (GEM Rule 18.78(3)) (interim results announcement) has been changed to "a</p>
