The Exchange expects every director of an issuer:—

- (1) to be cognizant of the GEM Listing Rules and reasonably familiar with the obligations and duties imposed upon him and the issuer pursuant to the GEM Listing Rules, the Securities and Futures Ordinance, the Companies Ordinance, the Takeovers Code and the Code on Share Repurchases ~~Buy-backs~~. ...

5.09 In assessing the independence of a non-executive director, the Exchange will take into account the following factors, none of which is necessarily conclusive. Independence is more likely to be questioned if the director:—

- (1) holds more than 1% of the ~~total~~ number of issued shares ~~capital~~ of the issuer;

Notes: 1. An issuer wishing to appoint an independent non-executive director holding an interest of more than 1% must satisfy the Exchange, prior to such appointment, that the candidate is independent. A candidate holding an interest of 5% or more will normally not be considered independent.

2. *When calculating the 1% limit set out in rule 5.09(1), the issuer must take into account the total number of shares held legally or beneficially by the director, together with the total number of shares which may be issued to the director or his nominee upon exercise of any outstanding share options, convertible securities and other rights (whether contractual or otherwise) to*

All such purchases must be made in accordance with rules 13.04 to 13.14. The Code on Share ~~Repurchases~~ Buy-backs must be complied with by an issuer and its directors and any breach thereof by an issuer will be a deemed breach of the issuer's undertaking to comply with its continuing obligations under the GEM Listing Rules and the Exchange may in its absolute discretion take such action to penalise any breach of this rule as it shall think appropriate. PROSPECTUSES

Preliminary

- 15.01 Issuers are reminded that a listing document which is a prospectus under the Companies (Winding Up and Miscellaneous Provisions) Ordinance must both comply with the GEM Listing Rules and, where required, comply with and be registered in accordance with the Companies (Winding Up and Miscellaneous Provisions) Ordinance. The GEM Listing Rules are entirely independent of and without prejudice to the provisions of the Companies (Winding Up and Miscellaneous Provisions) Ordinance relating to prospectuses. Accordingly, compliance with the GEM Listing Rules does not guarantee compliance with the Companies (Winding Up and Miscellaneous Provisions) Ordinance nor does it guarantee that such prospectus will be authorised by the Exchange for registration by the Registrar of Companies.
- 15.02 ...

Transfer of functions

- 15.03 The Commission's functions under sections 38B(2A)(b), 38D(3) and (5) and 342C(3) and (5) of the Companies (Winding Up and Miscellaneous Provisions) Ordinance ~~(Cap.32)~~, to the extent that they relate to any prospectus which is concerned with any shares or debentures of a company that have been or are proposed to be approved for listing on GEM, and the power to charge and retain the fees which would have been payable to the Commission in respect of any such prospectus under the Commission's fees rules, have been transferred to the Exchange by order of the Chief Executive in Council pursuant to section 25 of the Securities and Futures Ordinance (the "Transfer Order").
- 15.04 Under the terms of the Transfer Order the Exchange shall vet every prospectus which relates to shares and debentures that have been or are proposed to be approved for listing on the Exchange and shall have the authority to authorise the registration of such a prospectus by the Registrar of Companies under the provisions of the Companies (Winding Up and Miscellaneous Provisions) Ordinance.

Compliance with Companies (Winding Up and Miscellaneous Provisions) Ordinance

- 15.05 To ensure compliance, issuers are urged to seek advice from their ~~Hong Kong~~ legal advisers. Issuers are reminded that compliance with the Companies (Winding Up and Miscellaneous Provisions) Ordinance remains their primary

responsibility and that they will not be absolved from any liability by virtue only of the submission of a prospectus to the Exchange for vetting or the issue by the Exchange of a certificate authorising registration.

Certificates of exemption

- 15.06 The Commission's power to grant certificates of exemption under the Companies (Winding Up and Miscellaneous Provisions) Ordinance has not been transferred to the Exchange.

Abridged prospectuses

- 15.07 The Commission's powers under section 38B(2A)(b) of the Companies (Winding Up and Miscellaneous Provisions) Ordinance to authorise in any particular case the form and manner of publication of any extract from or abridged version of a prospectus, have been transferred to the Exchange in so far as they relate to shares or debentures that have been approved for listing on the Exchange.

Procedural requirements

...

- 15.10 The Exchange will review a prospectus for compliance with the GEM Listing Rules concurrently with the review of the prospectus for compliance with the relevant provisions of the Companies (Winding Up and Miscellaneous Provisions) Ordinance. The Exchange will not authorise a prospectus for registration by the Registrar of Companies until it is satisfied that it has no further comments on such prospectus in respect of the Companies (Winding Up and Miscellaneous Provisions) Ordinance requirements and is prepared to grant a listing for the securities to which such prospectus relates.
- 15.11 If the Exchange is satisfied that the prospectus delivered to it pursuant to rules 12.25 and 12.26E(2) should be authorised for registration pursuant to the Companies (Winding Up and Miscellaneous Provisions) Ordinance, it will issue a certificate under section 38D(5) or section 342C(5) of the Companies (Winding Up and Miscellaneous Provisions) Ordinance (as the case may be). It is the responsibility of the issuer to deliver the prospectus and any ancillary documents to the Companies Registry for registration pursuant to section 38D(7) or section 342C(7) of the Companies (Winding Up and Miscellaneous Provisions) Ordinance (as the case may be).

Note: The issue of the certificate of authorisation by the Exchange does not constitute a form of confirmation that the prospectus complies with the requirements of the Companies (Winding Up and Miscellaneous Provisions) Ordinance. Nor does the issue of the certificate constitute registration of a prospectus under the Companies (Winding Up and Miscellaneous Provisions) Ordinance. Issuers must ensure that a copy of the prospectus, complying with the requirements of the Companies (Winding Up and Miscellaneous Provisions) Ordinance, has been registered by the Registrar of Companies before it is issued. Under no

circumstances should the certificate of authorisation issued by the Exchange be relied upon as evidence either of compliance with the provisions of the Companies (Winding Up and Miscellaneous Provisions) Ordinance or of registration.

FINANCIAL INFORMATION

Introduction

18.01 This Chapter sets out the continuing obligations of a listed issuer with regard to the disclosure of routine financial information on an annual, half-yearly and quarterly basis. It also sets out certain recommended disclosure items on ~~management~~ discussion and analysis (see rule 18.83) that listed issuers are encouraged to include in their half-year and annual reports. These recommended disclosure items are not obligatory, but merely items relating to good practice which are recommended for disclosure. Additional requirements, relating to non-routine financial disclosure, are set out in the following Chapters:

| | | |
|------------|---|--|
| Chapter 7 | — | Accountants' Reports and Pro Forma Financial Information |
| Chapter 14 | — | Listing Documents |
| Chapter 19 | — | Notifiable Transactions |
| Chapter 20 | — | Connected Transactions |

Additional disclosure requirements in respect of routine financial information are set out in the following Chapters, in so far as they relate to the following issuers:—

| | | |
|------------|---|----------------------------|
| Chapter 24 | — | Overseas issuers |
| Chapter 25 | — | PRC issuers |
| Chapter 31 | — | Issuers of debt securities |

Note: In circumstances where the disclosure requirements of Chapters 24 or 25, as appropriate, are inconsistent with the requirements of this Chapter, the requirements of Chapters 24 or 25, as appropriate, shall prevail.

18.02 A listed issuer is required to prepare annual ~~accounts~~ financial statements, half-year reports and quarterly reports. The contents, timing and publication requirements for each such ~~accounts~~ financial statements or reports are set out in this Chapter.

Annual reports

Distribution

18.03 The listed issuer must send to:—

- (1) every member of the listed issuer; and
- (2) every other holder of its listed securities,

a copy of either (i) the directors' report and its annual ~~accounts~~financial statements and, where the listed issuer prepares ~~group accounts~~consolidated financial statements, the ~~group accounts~~consolidated financial statements, together with a copy of the auditors' report thereon or (ii) its summary financial report, not less than 21 days before the date of the listed issuer's annual general meeting and not more than 3 months after the date upon which the financial period ended. The Issuer may send a copy of its summary financial report to a member and a holder of its listed securities in place of a copy of its annual report and ~~accounts~~financial statements, provided that it complies with rule 18.81 and the relevant provisions set out in sections ~~441~~437 to ~~446~~ of the Companies Ordinance and in the Companies (Summary Financial Reports of Listed Companies) Regulation or, in the case of overseas issuers, with provisions no less onerous than the above provisions for listed issuers incorporated in Hong Kong.

Nothing in this rule shall require the listed issuer to send any of the documents referred to therein to:—

- (a) a person of whose address the listed issuer is unaware; or
- (b) more than one of the joint holders of any of its listed securities.

Notes: 1 “~~Group accounts~~Consolidated financial statements”, for the purposes of a Hong Kong listed issuer, has the meaning ascribed to it under section ~~124(1)~~379(2) of the Companies Ordinance.

2 The directors' report, auditors' report, annual ~~accounts~~financial statements (including ~~group accounts~~consolidated financial statements) and, where applicable, summary financial report must be in the English language and must be accompanied by a Chinese translation or be in the Chinese language accompanied by an English translation. In respect of overseas members, it shall be sufficient for the listed issuer to mail an English language version of either (i) its directors' report, auditors' report and annual ~~accounts~~financial statements or (ii) its summary financial report if such documents contain a prominent statement in both English and Chinese to the effect that a

Chinese translation is available from the listed issuer, on request.

- 3 ~~Sections 422-429 and 431~~ of the Companies Ordinance requires ~~the annual accounts of the directors of a Hong Kong listed issuer to lay the issuer's annual financial statements before its members at its annual general meeting within the period of 6 months after the end of the financial year or accounting reference period to which the annual financial statements relate~~ which are laid before the listed issuer at its annual general meeting to be made up to a date falling not more than 6 months before the date of the meeting. An overseas issuer (including for such purposes, a PRC issuer) should comply with the same requirement as a Hong Kong issuer must make up its annual accounts to a date not more than 6 months before the date of its annual general meeting.
- 4 The Exchange may at its discretion suspend dealings in or cancel the listing of the securities of the listed issuer if it falls into arrears in the issue of its directors' report and ~~accounts~~ financial statements. If the listed issuer has significant interests outside Hong Kong it may apply for an extension of the 6 month period. However, the attention of a Hong Kong ~~listed~~ issuer is drawn to section ~~422 (1B)~~ 431 of the Companies Ordinance which requires any extension of the time limit to be approved by the ~~High~~ Court of First Instance.
- 5 [Repealed 1 January 2011]

Accounting standards

- 18.04 Annual ~~accounts~~ financial statements of a listed issuer are required, subject to rule 18.05 and rule 18.06, to conform with HKFRS, IFRS or CASBE in the case of a PRC issuer that has adopted CASBE for the preparation of its annual financial statements.

Note: The issuer must apply one of these bodies of standards consistently and shall not normally change from one body of standards to the other unless there are reasonable grounds to justify such change. All reasons for any such change must be disclosed in the annual ~~accounts~~ financial statements.

- 18.05 A listed issuer, which is also listed on the New York Stock Exchange or the Nasdaq National Market of the United States of America, may prepare annual ~~accounts~~ financial statements drawn up in conformity with Generally Accepted Accounting Principles in the United States of America (US GAAP), subject to the following:—

- (1) the listed issuer has adopted US GAAP for the purposes of reporting to shareholders on the New York Stock Exchange or the Nasdaq National Market of the United States of America;

- (3) a listed issuer which was permitted to adopt US GAAP on the basis that it is listed on the New York Stock Exchange or the Nasdaq National Market of the United States of America but is no longer so listed, will be required to revert to one of the relevant standards referred to in rule 18.04 for financial reporting purposes; and
- (4) a listed issuer whose principal activity is property development and/or investment may not adopt US GAAP for financial reporting purposes.

18.06 Where the Exchange, in exceptional circumstances, allows the annual ~~accounts~~financial statements of any overseas issuer to be drawn up otherwise than in conformity with accounting standards referred to in rule 18.04 or with US GAAP in the circumstances set out in rule 18.05, the Exchange will normally require the annual ~~accounts~~financial statements to contain a statement of the financial effect of the material differences (if any) and a summary of any material differences in disclosure (if any) from either HKFRS or IFRS referred to in rule 18.04.

Where any of the directors or senior managers are related, having with any other director or senior manager any one of the relationships set out below, that fact should be stated. The relationships are spouse; any person cohabiting with

the director or senior manager as a spouse; and any relative meaning a child or step-child regardless of age, a parent or step-parent, a brother, sister, step-brother or step-sister, a mother-in-law, a father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law. It is the responsibility of the directors of the listed issuer to determine which individual or individuals constitute senior management. Senior management may include directors of subsidiaries; heads of divisions, departments or other operating units within the group as, in the opinion of the listed issuer's directors, is appropriate.

Note: In the case of a PRC issuer, references to directors and senior managers in this paragraph shall also mean and include supervisors.

- 18.39A In relation to an independent non-executive director appointed by a listed issuer during the financial year, the listed issuer shall disclose the reasons why such an independent nonexecutive director was and is considered to be independent if he has failed to meet any of the independence guidelines set out in rule 5.09.
- 18.39B A listed issuer must confirm whether it has received from each of its independent non-executive directors an annual confirmation of his independence pursuant to rule 5.09 and whether it still considers the independent non-executive directors to be independent.
- 18.40 Additional information in respect of major customers (meaning, other than in relation to consumer goods or services, the ultimate customer, and in relation to consumer goods or services the ultimate wholesaler or retailer as the case may be) and suppliers (meaning the ultimate supplier of items which are not of a capital nature) as follows:—

 - (2) a statement of the percentage of purchases attributable to the group's 5 largest suppliers combined;

 - (4) a statement of the percentage of ~~turnover or sales~~ revenue from sales of goods or rendering of services attributable to the group's 5 largest customers combined;

- (5) a statement of the interests of any of the directors; their close associates; or any shareholder (which to the knowledge of the directors own more than 5% of the number of issued shares of the listed issuer's share capital) in the suppliers or customers disclosed under (1) to (4) above or if there are no such interests a statement to that effect;

- (7) in the event that the percentage which would fall to be disclosed under (4) above is less than 30, a statement of that fact shall be given and the information required in (3), (4) and (5) (in respect of customers) may be omitted.

Notes: 1 Rule 18.40 applies to all listed issuers whose businesses comprise, in whole or in part, the supply of goods or services of whatever nature, and in the case of service references to customers includes the clients of such listed issuers.

2 In relation to consumer goods, references to customers are to the ultimate wholesaler or retailer, except when the listed issuer's business incorporates the wholesaling or retailing operation. In all other cases references to customers are to ultimate customer.

3 References to suppliers are primarily to those who provide goods or services which are specific to a listed issuer's business and which are required on a regular basis to enable the listed issuer to continue to supply or service its customers. Suppliers of goods and services which are freely available from a range of suppliers at similar prices or which are otherwise freely available (such as utilities) are excluded. In particular, it is recognised that an obligation on listed issuers who are providers of financial services (such as banks and insurance companies) to give information about suppliers would be of limited or no value, and there is therefore no disclosure requirement in respect of suppliers to such listed issuers.

4 The Exchange must be consulted if there is any doubt about the application of rule 18.40.

18.41 ~~A separate statement containing~~ a discussion and analysis of the group's performance during the year and the material factors underlying its results and financial position. It should emphasise trends and identify significant events or transactions during the year under review. As a minimum the directors of the listed issuer should comment on the following:—

This may include comments on the level of borrowings at the end of the period under review, the seasonality of borrowing requirements, and the maturity profile of borrowings and committed borrowing facilities. Reference may also be made to the funding requirements for capital expenditure commitments and authorisations;
- (2) the capital structure of the group in terms of maturity profile of debt, type of capital instruments used, currency and interest rate structure. The discussion may cover funding and treasury policies and objectives in terms of the manner in which treasury activities are controlled; the currencies in which borrowings are made and in which cash and cash equivalents are held; the extent to which borrowings are at fixed interest rates; the use of financial instruments for hedging purposes; and the extent to which foreign currency net investments are hedged by currency borrowings and other hedging instruments;

This may cover changes in the industry segment, developments within the segment and their effect on the results of that segment. It may also include changes in the market conditions, new products and services introduced or announced and their impact on the group's performance and changes in ~~turnover~~ revenue and margins;
- (7) where applicable, details of the number and remuneration of employees, remuneration policies, bonus and share option schemes and training schemes;

- (10) gearing ratio;
- (11) exposure to fluctuations in exchange rates and any related hedges; and
- (12) details of contingent liabilities, if any.

Notes: 1 It is the responsibility of the directors of the listed issuer to determine what investment or capital asset is material in the context of the listed issuer's business, operations and financial performance. The materiality of investment or capital asset varies from one listed issuer to another according to its financial performance, assets and capitalisation, the nature of its operations and other factors. An event that is "material" in the context of a smaller listed issuer's business and affairs is often not material to a larger listed issuer. The directors of the listed issuer are in the best position to determine materiality. The Exchange recognises that decisions on disclosure require careful subjective judgements, and encourages listed issuers to consult the Exchange when in doubt as to whether disclosure should be made.

2 The basis on which the gearing ratio is computed should be disclosed.

3 If the above information required in this rule has been disclosed in a business review in the directors' report as set out in rule 18.07A, no additional disclosure is required.

Note: If listed issuers are in doubt as to what more detailed and/or additional information should be provided, they should apply to the Exchange for guidance.

31.48 The listed issuer shall include the information set out in rules ~~31.49~~31.51 to 31.60 in its director's report and annual accounts and the disclosures required under the relevant accounting standards.

- 31.49 ~~A description of the principal activities of the group and, where 2 or more such activities are so described, a statement giving in respect of each such activity the turnover and contribution to trading results attributable to it. [Repealed [date]]~~

~~*Note: For these purposes, a “principal activity” is one which achieved profits and losses numerically equivalent to 10% or more of the consolidated profit or loss of the group.*~~

- 31.50 ~~Except where the listed issuer is a banking company, a geographical analysis of consolidated turnover and, if the contribution to profit or loss from a specific area is abnormal in nature, of contribution to trading results of those trading operations carried on by the issuer and/or its subsidiaries outside the country in which the main place of business of the listed issuer (or the group of which the listed issuer is a member) is situated, unless such operations comprise less than 10% of the consolidated turnover and 10% of the consolidated trading results of the group. [Repealed [date]]~~

~~*Notes: 1 Transactions within the group should be excluded.*~~

~~*2 A broad geographical analysis of net turnover by way of figures or percentages, given by market (not necessarily given country by country), will be acceptable.
