Notes: 1 References in this Chapter to issuers shall apply equally to guarantors in the case of guaranteed issues.

2 If the issuer or guarantor, in the case of a guaranteed issue, has equity securities listed on GEM, it is also obliged to comply with all of the requirements of the GEM Listing Rules relevant to issuers of equity securities (see Chapter 17).

- (1) provide to the Exchange and, if requested by the Exchange, announce, any information relevant to the subject matter(s) of the enquiries which is available to it, so as to inform the market or to clarify the situation; or
- (2) if, and only if, the directors of the issuer, having made such enquiry with respect to the issuer as may be reasonable in the circumstances, are not aware of any matter or development that is or may be relevant to the unusual trading movement of its listed debt securities, or information necessary to avoid a false market, or any inside information which needs to be disclosed under the Inside Information Provisions, and if requested by the Exchange, make an announcement containing a statement to that effect (*see note 1 below*).

Having made such enquiry with respect to the issuer as is reasonable in the circumstances, we confirm that we are not aware of [any reasons for these movements] or of any information which must be announced to avoid a false market in the Company’s securities or of any inside information that needs to be disclosed under Part XIVA of the Securities and Futures Ordinance.

This announcement is made by the order of the Company. The Company’s Board of Directors collectively and individually accepts responsibility for the accuracy of this announcement.”

- 2. *An issuer does not need to disclose inside information under the Rules if disclosure of the information is exempted under the Inside Information Provisions.*

 - (a) is the subject of an application to the Commission for a waiver; or
 - (b) falls within any of the exceptions to the obligation to disclose inside information under the Inside Information Provisions in section 307D(2) of the SFO.

Note: An issuer and/or the guarantor does not need to disclose inside information under the Rules if disclosure of the information is exempted under the Inside Information Provisions.

Dual listing disclosure obligation
