Paragraphs 45 of Part A, 38 of Part B and 49 of Part C of Appendix 1 and paragraph 13 of Appendix 16 of the Exchange Listing Rules require issuers to disclose, in certain listing documents and annual and interim reports, details of substantial shareholders’ and certain other persons’ interests and short positions in the shares and underlying shares of the issuer and directors’ and chief executives’ interests and short positions in the shares, underlying shares and debentures of the issuer and any associated corporation, as recorded (or, in the case of a new listing, to be recorded) in the registers required to be kept under sections 336 and 352 of the Securities and Futures Ordinance (“SFO”), subject to certain stated exceptions or waivers that may be given by the Exchange. Certain circulars to shareholders may also be required to contain such information.

3. Presentation of interests and short positions required to be disclosed under Part XV of the SFO
